

# LINK ALERT

A "Link Alert" is a request for a peer mentor to help address a student concern. Link Crew Leaders will be utilized to help support Craig's freshman students in need. Link Alerts should only be requested for issues that you feel are appropriate for a Link Leader to address.

After completion of this form, please print a copy and put it in Ms. Swanson's mailbox or email a copy to her at lswanson@janesville.k12.wi.us.
