

# Preparing for College Information for Parents and Students

- ✚ Get to know your sons/daughters teachers and counselors.
- ✚ Talk about potential interests and/or career possibilities.
- ✚ Search various college websites and Wisconsin Careers to learn future opportunities and complete interest assessments.
- ✚ Discuss the factors that are most important to you while choosing a college, such as size, location, majors, special academic opportunities and athletics.
- ✚ Continue support of extra-curricular involvement and leadership roles.
- ✚ Research taking the PLAN (pre-ACT) test-which is in November/December Sophomore year.
- ✚ Create a system for organizing college information.
