Honor Wall Inductee Packet

Craig High School Honor Wall

The Honor Wall at Craig High School is formed for the purpose of providing our current students and community with a vision of the outstanding legacies of Janesville Senior High School and Craig High School. It is hoped that these people will provide role models for our current students and offer us a chance to celebrate the successes of those who have graduated from our school.

The Janesville High School/Craig High School Honor Wall committee was formed in 2005 and met to select five nominees to be inducted into the first ceremony for the Honor Wall during our winter sports season. Alumni of Janesville High School and Craig High School were considered.

The original Honor Wall selection committee established criteria to ensure recognition of a broad cross-section of achievers. The focus of the Honor Wall was to recognize the efforts of Janesville High School and Craig High School Alumni who have gone on after high school to serve their communities and worlds through their careers, vocations, or service dedication. We reflected on individuals who have excelled in a variety of endeavors, including:

- Professional
- Athletic/Entertainment
- Science/Technology
- Community/Governmental Service
- Entrepreneur/Industrial

These categories were listed to serve as general guidelines in the selection process. It is not mandatory that candidates for induction represent any or each of the above categories. The categories are meant to ensure that the candidates selected for induction come from a broad cross-section of achievement. We are not just looking for famous or financially successful people to honor. We are attempting to honor individuals who have made a difference, people who have succeeded and people who have given unselfishly to make the world a better place.

On behalf of the administration at Craig High School, we thank you for your interest in our Wall of Fame.
