Sherrie Rudkin and Nicole Morehouse spoke on behalf of Positive Behavior Intervention Support (PBIS). They asked the PTO if we could help support this cause with a donation. Each month they will have a different theme for students to earn coupons. These will need to be signed by a teacher and be placed in bucket in the clerical pool area, which in turn will be drawn for an award. This month will be "No

Music March”, which means no headphones or buds—out of ears!! April they will be concentrating on “Appropriate clothing” and May will be “Making it on Time”. The promotion committee is trying to get the students to be ready, be responsible, and be respectable. Discussion of this donation will take place later in the meeting.

With Assistant Principal Mr. Manger leaving to go back to New York City for a job opportunity, Mr. McCormick has accepted the interim Dean of Students position. A long-term substitute has been hired to fill Mr. McCormick teaching position.

Parent/Teacher conferences went well. Dr. Spiegel stated they had a great response of feed back from parents. Having the questionnaire on the computers and in the lunchroom where conferences were taking place seemed to be more convenient for parents to fill them out.

Senior Class activities are starting to form committees so they can get started planning the senior picnic, bash and post prom. Kelly Hayden is the contact person for those parents interested in helping.

Honor Wall recipients are David Moore, Robert Carr and Frank Douglas.

Guest speaker for Graduation 2011 will be Lori Schneider.
Guest speaker for Academic Recognition will be Alex Stegeman.

Meeting adjourned at 9:40.
Next meeting will be April 7.
